

HEBDEN BRIDGE TOWN HALL RAIN GARDEN PLANTERS LAUNCH PARTY!

Hebden Bridge Community Association, Calder Rivers Trust, Slow The Flow Calderdale, Green Future Building and 2B Landscape Consultancy Ltd warmly invite everyone to join us at our **FREE** celebration:

When?

FRIDAY 29TH JUNE 15:30 - 18:30

Where?

Hebden Bridge Town Hall Café / Courtyard

What's happening?

Planters will be opened by Mayor of Hebden Royd, Cllr Carol Stow

Entertainment including:

Calder Valley Youth Theatre 4pm // Hebden Bridge Junior Band 5pm

Friendly faces will answer your questions, and free information will be available about how the planters help to slow the flow of flood water, the importance of riverside biodiversity, and how you can help by building your own.

FREE light refreshments will be available.

The Town Hall Courtyard planters project is a collaborative community venture, funded by a grant from the Postcode Local Trust. It is part of a wider initiative to help us all understand how urban sustainable drainage (SuDS) can play a part in flood alleviation.

For more detail on how to Slow The Flow: At Home / At Work / At School / Public Spaces, visit: www.slowtheflow.net/you-can-slow-the-flow
